A Study Tour

The schedule of this Study Tour is designed for students and anticipates strenuous days. The itinerary maximizes time spent at sites, with limited shopping and free time. All applicants must be in good health and be capable of walking significant distances, sometimes on uneven and narrow trails, without assistance (*extensive stairclimbing and walking through tunnels will also be a part of the tour*). Priority will be given to student applicants from the host institutions. Other travelers will be admitted as space is available.
